Dear Hazel:

25X1A

Reference is made to contract [REDACTED]. Please be advised that no patentable inventions have been made on the referenced program and that no royalties have been paid.

Attached are eight (8) copies of the residual inventory on the referenced program. We wish to submit a bid of \$1200.00 for this inventory. This bid in essence covers the first seven (7) items since the remainder of the inventory is of little value to us.

This should complete this program. Should you require additional information, please advise. Best regards.

Sincerely,

*Ed*
